25 years with you!

In February, we began celebrating the 25th anniversary of the DofE foundation in the Czech Republic. We are thrilled that we can start celebrating by launching our new website. We are currently working on the English version which will be ready soon.

Until the end of this year, you can look forward to unique events to celebrate the DofE anniversary. We hope to meet you at some of them. In September, the DofE Leader Camp will take place at the Skalský dvůr Hotel in Vysočina. Registration for this event is now open, you can find it here >> <https://www.dofe.cz/novinky/dofe-leader-camp-2020>
The whole event will be held in Czech. However, everybody is welcome!

We are also organizing regional meetups, you can see the date of the english meetup below in the calendar and your regional manager will inform you about the details.

We are still collecting responses for the social value survey that will help us understand the contribution of the Award to the Czech society and economy.

If you have not completed the survey yet, please do so now: <http://bit.ly/SVlvyzkum>

We appreciate your help.

DOFE STORY

International meeting of Award Leaders in Netherlands

The first week of February was the fourth of a series of international exchanges under the Erasmus+ program and the DofE project. This time the participants visited the Netherlands. The main topic of the meeting was youth work and non-formal education.

A team of twenty participants, mainly Award Leaders from five countries, had the opportunity to attend a three-day training course in Woudenberg, the Netherlands. In a rural farm environment, they participated in workshops on youth motivation, where they exchanged their experience.

“The selection of quest speakers couldn't have been better. Their enthusiasm for the same thing, the enthusiasm to lead the young generation and build a better future together was pervading. I had such a wonderful opportunity to meet people who are so experienced and sensible. I am extremely grateful that I had the honor,” says the participant Jan Jech.

DofE Club invites all participants and alumni to the Adventurous Journey session which takes place in **Students club A6 in Albertov, Prague** on **1st of April 2020** from **18:30** (the session is in Czech language). You can learn here about legendary DofE Adventurous Journeys and get inspired!

ADVENTUROUS JOURNEY

We are working hard to come up with ways how to help you deliver the Award at your centre. When planning adventurous journey, you can happen to get into a situation that you don't have enough team members to form an AJ team. For this reason, we created a shared spreadsheet which you can use to look for participants from other award centres. There are a few simple rules to keep the process easy and clear for everyone. In case you have any questions, contact your regional manager.

Please note – National centre does not take any responsibility for organizing the AJ. Purpose of the spreadsheet is to simplify your mutual communication among award centres.
